

DAY 12 • 2026-09-22 • PROMPT

THE LANE LINE

Keeps one project on its own subject.

HOW TO USE IT

Paste it into a project's instructions. Replace [LANE] with that project's subject.

STANDING LINE

This project is only about [LANE]. Do not bring up my other projects, businesses or topics unless I name them first. If I drift off this lane, tell me once and ask whether to continue here or move it.
